Entrance/Exit Interviews: All students are required to attend an entrance advisory interview before beginning classes and an exit advisory interview upon graduation or termination of enrollment. No student will be considered enrolled, graduated, or terminated from enrollment until such an interview occurs.

Please be advised: Financial aid award years are based on 900 clock hours per award year. Any student enrolled in a course exceeding 900 clock hours will have to reapply for financial aid for the remaining hours of their course in relationship to 900 clock hours. For example: a student enrolled in a 1500 clock hour Cosmetology program will have to reapply using the student's "new" previous year's tax returns for the remaining 600 clock hours. The financial aid awarded may be subject to an increase or a decrease in aid as the student's previous tax year income changes. If there is a substantial change in income there may be a change in the amount of financial aid awarded. If the student's financial aid award decreases after reapplying for financial aid, the student will be responsible for any difference in the awarding process and tuition owed.

#### **Policy Concerning Credit Balances**

As a student progresses through his/her education, there may come a time when a credit balance exists in a student's account. This balance is often a result of financial aid that is over and above the costs of tuition, fees, tools, and other charges. These funds are available to students by the following procedures:

- Schedule an appointment with the financial aid office in your city. You do not need to visit the office to schedule an appointment. A phone call is acceptable.
- Meet with a financial aid counselor to determine if a credit balance exists in your student account.
- If there is indeed a credit balance in your account, simply complete the "Request for Credit Balance" form that is available in the financial aid office.
- At the time of your request, the financial aid counselor will inform you of when your check will be ready. New checks will be available every Tuesday, but the cut-off time for this date will be noon on the previous Thursday.
- If a credit balance check has not cleared the bank after 30 days, the funds will be returned to the lender or financial institution.

It is important to note that credit balances will not be disbursed in anticipation of *future* disbursements. Students are not entitled to receive a credit balance that does not yet exist.
