

Required Textbooks

Policies Regarding Required Textbooks

Carolina College of Hair Design uses the Milady Standard Text books.

These books are only available to licensed schools, and therefore not in any commercial book store.

Carolina College of Hair Design loans all required texts to the student at no charge for their exclusive use while enrolled. If a student withdraws, the texts must be returned or, at the student's option can be purchased at the price quoted on the text list. Further, while enrolled, each student is provided a test book, workbook or theory workbook for their own use at no additional charge.
